We did it! The CARE Clinic along with Better Health, Operation Inasmuch, and Old North State Dental Society brought the NC Missions of Mercy to Fayetteville for the first time to hold a Free Adult Dental Clinic. The 80 chair clinic was held at The Charlie Rose Agri-Expo Center on June 29-30. Despite temperatures that reached over 100 degrees, patients began lining up while the clinic was still being set up and waited through the night for a chance to receive free dental care. The numbers are amazing – 731 volunteers including 103 dentists, 224 other dental professionals and 404 community volunteers donated their time and talents to provide free dental services to 1,006 patients. An unbelievable 1,766 teeth were pulled! The lucky patients who got in received cleanings, routine and surgical extractions, and partials valued at $684,470. Others were not able to be seen because of the clinic’s time constraints.

We read stories about missionaries in third world countries treating patients who have never seen a dentist, but many never realize we have the same need here in our community. Most of us cannot even imagine standing in line overnight just to get our teeth cleaned, but we saw that at this clinic. Each of the 1,006 patients had a touching story. A 33 year old mother of two whose teeth were so black at the gums she expected to be told she needed to have all her teeth pulled was ecstatic with her new smile after getting a major cleaning. She told her hygienist she has a new appreciation for teaching her children good oral health. A 26 year old man had suffered from migraines for years because of bad teeth. After having 8 teeth pulled, he smiled saying he already felt better. Another man, with a mouth full of gauze after having teeth pulled, picked up a pen and wrote a note for volunteers.

Continues on page 2
LIVES CHANGED - Continued

that said “I am so happy.” Sixty seven people who came in with no front teeth left with partials, beaming smiles, and a renewed sense of self-worth. Patients who came in with tears of pain left with tears of joy, and often had volunteers crying with them.

The NC Missions of Mercy reported Fayetteville’s clinic was the first time they had ever had to close volunteer registration because of too many people signing up. What a wonderful testimony about the compassion and generosity of our community!

To all of those who volunteered their time or made a donation to support the clinic, we extend a resounding Thank You! The clinic made a huge difference in the lives of those receiving the services, and in those volunteers who are now better able to appreciate the blessings in their lives after seeing the needs of their neighbors. By the close of the clinic, our committee was exhausted, proud of our success, and inspired to do it again.

12TH ANNUAL WINE TASTING

Our wine tasting and raffle held on Thursday, April 28th at The Holiday Inn Bordeaux truly was the “Toast of the Town” with 450 people in attendance! Steve Zahrn and Mutual Distributing deserve our gracious thanks for bringing in vendors & providing great selections of wine from many different places for our guests to taste. Many people were seen at the booths of Grapes & Hops and The Wine Café placing their wine orders. Mark Moses and his staff from Carrabba’s Italian Grill always go above and beyond making sure there are plenty of their tasty delights on hand for the guests and this year was no exception. Thanks to everyone’s combined efforts, the wine tasting and raffles made a net profit of $32,431, slightly topping last year’s totals!

In an effort to make the planning process and the evening run more smoothly, the committee decided to have two raffles instead of the silent auction this year. The 50/50 cash raffle with tickets sold before the event, made $4,825 and 11 raffle item prizes at the event brought in $3,230. Much to our delight, both of these raffles made almost as much as the silent auction did last year!

Our hardworking committee members were: Teresa Elliott and Judy Ferrand, co-chairs; Janet Carter, Anja Gillespie, Deborah Guilfoyle, Kristi Ivey, Cissy McPail, Kristie Meave, Rachel Violette, and Steve Zahran. Thanks to those committee members who made donations of items and for their community contacts in getting in-kind donations. We could not have put on this event without our wonderful CARE Clinic volunteers who always help when asked! Danny Highsmith was our volunteer emcee again thanking our sponsors and guests and highlighting items available at the raffle tables.

Our thanks to Mark Pezzella of Five Star Entertainment for donating the DJ, sound and colorful up-lighting making for a nice ambiance for our guests, John Poulos of Superior Bakery for the tasty rolls, Dale Filley for fruit, cheese and desserts, Liz Varnedoe of Bella Villa Italian Restaurant for her yummy desserts, Amblyn Faith for the marvelous mini-cupcakes, Rose Petal’s Catering for their tasty treats, SYSCO Distributors for assorted cheeses, Richard Kugelmann and his FTCC Future Culinarians for assembling the cheese and fruit trays, John Melvin of Flowers on Main for the beautiful floral arrangement, Cape Fear Valley for loaning two easels, JEB Designs for the plaques for our 14 major sponsors and Gordon Johnson Architecture for their always impressive design of our Sponsor Board.

We extend a heart-felt thank you to all of our generous sponsors, raffle donors, committee members and, of course, to all of you wonderful people who support The CARE Clinic by attending our event. Keep coming back and tell all your friends, business associates and co-workers!

Next year’s 13th annual “Toast of the Town” has already been booked at the Holiday Inn Bordeaux for Thursday, April 25, 2013. Mark your calendars so you don’t miss out on this annual event that keeps getting better each year!
COMBINED CAMPAIGNS

The CARE Clinic has been approved for participation in the 2013 (Fall 2012) Combined Federal Campaign. Our permanent designation code is CFC # 91950. We greatly appreciate your donations to the clinic and hope that you will plan to help us in this fall’s campaign. Please contact us at 485-0555 or care@thecareclinic.org if you need any additional information.

The CARE Clinic has also received approval to participate in the State Employees Combined Campaign. We have participated in the Combined Federal Campaign since 1995, but only learned of the State Campaign when one of our supporters called us last year. We are excited to have been approved for participation in this year’s campaign. We ask you to consider designating The CARE Clinic #3746 as the charity of your choice if you are a state employee and contribute to the combined campaign.

BOARD OF DIRECTORS
FOR FY 2013

The CARE Clinic Board of Directors is pleased to announce the installation of officers for the new fiscal year beginning July 1: Karen Mantzouris - President, Louis Cox - President-Elect, Herb Bryan - Treasurer and Jean Harrison - Secretary. Brenda Booth also moved to the position of Past President after successfully completing her term as President.

Congratulations and welcome to new Board members: Donna Fowler-Marchant, the Minister of Pastoral Care at First Presbyterian Church, Bowman Smith, the owner of Woodland Building Solutions and Greg Whitley, partner in the law firm of MacRae, Perry, MacRae & Whitley. Welcome back to Lauren Harper, who is returning to the Board. Jean Harrison has completed her first three-year term and has agreed to serve another three years on the board. We appreciate all of you for your willingness to serve as members of our board and look forward to working together as we strive to fulfill our mission in service to the community.

We extend our sincere gratitude to Tim Gore and Walt Swing who are rotating off the board this year after successfully completing their terms of office. We thank each of you for sharing your time and talents serving as a member of our board. We are grateful for all you have done and continue to do to support the mission of The CARE Clinic.

NAMED GIFT OPPORTUNITIES

The CARE Clinic has been very blessed recently with 2 rooms being sponsored in our Named Gift Opportunities Program. We only have the areas listed below available and we ask you to consider sponsoring them to bring this program to an end. These may be in honor or memory of someone or an individual donation from you. Please contact the clinic at 485-0555 or projects@thecareclinic.org if you are interested in any of the following options or have any questions. Thanks so much for the support we have received from our donors.

- $50,000 – Memorial Garden
- $10,000 -- #13 -- Dental X-Ray Room
- $10,000 -- #15 -- Dental Exam Room
- $10,000 – #15 -- Dental Exam Room

Thanks to all of our sponsors for making this event possible.
EIGHTEENTH ANNUAL GOLF TOURNAMENT

The CARE Clinic golf tournament is scheduled for Friday, October 5, 2012 at Gates Four Golf & Country Club. The tournament format is a Captain’s Choice with four-person teams. Registration starts at 11:00 a.m., Lunch at 11:30 and a shotgun start at 12:30 p.m. This major fundraiser netted $38,715 last year to help us in our mission to our community’s uninsured adults. We invite you to participate in this wonderful event! If you are not a golfer, but would like to help out, we are in need of sponsors for the tournament expenses, such as catering, greens fees and mailings. We would also appreciate donated items that can be raffled. If you would like to play in the tournament; sponsor a player, one of our brave Ft. Bragg soldiers, or a four-person team; sponsor a hole sign; give a donation; or simply get more detailed information; please contact Gloria at projects@thecareclinic.org or go to the golf page on our website at www.thecareclinic.org/golf_tournament.php to download a registration form. Thanks for your support!

FAYETTEVILLE STATE UNIVERSITY
RN TO BSN SPRING 2012 STUDENT REFLECTIONS

As a part of their education, the Fayetteville State University RN to BSN spring session students were required to do a community clinical rotation at local facilities. The CARE Clinic was one of those places and below are their comments about helping at the clinic.

“The one thing that stands out for me from taking this course is by far, The CARE Clinic. I did not know that there was such a place here. I am so glad and grateful for the opportunity to volunteer there as well as provide educational material to the patients. Kathryn and the other people who run the clinic are angels. The community is lucky to have so many people willing to give their hearts, time, and medical care. This experience has opened my eyes and I plan to volunteer from now on at least once a month, or when my schedule allows. From what I witnessed there, most of the patients are very grateful and appreciative of everyone. The volunteers and the paid staff work so well and efficiently together like a happy family. It was truly a wonderful experience. The clinic will continue to be one of the major highlights of this entire BSN program!”

“Wow, this has really been an experience! I came in with a sense of dread at the pressure of getting all these clinic hours. However, this has been the most influential class so far. The community has so many wonderful resources that many are not aware of. The CARE Clinic is an absolute jewel to this community and has such a great importance in the provision of health care. Volunteering has always been very important to me, and many doors have been opened for me to continue this experience.”

“I had the most memorable experience working at The CARE Clinic! There I met volunteers from different cultures and ages. Each person had different reasons for volunteering their services. They all had one thing in common that they all wanted to be there. Even the doctors had come right after working their regular jobs and I observed the nurses all working in unison. Everyone there had one goal in mind…to help the community. The patients attending the clinic were very patient and cooperative. I felt I made a difference in someone’s life the night I worked there.”

“I learned many different things from my experience of working at The CARE Clinic, but the main impression I am left with is the overwhelming sense of service to one’s fellow man. Everyone I encountered had a smile and a joy that was heartfelt. I will be left with the fact that there is someone who is always willing to give a helping hand, a smile, a kind word, and donate their time to their fellow man.”

“Life’s circumstances happen which causes individuals to be uninsured---needing the resources for health care that the community has to offer (i.e. low-wage job, lack of family support, etc.). Volunteering at The CARE Clinic gave me the opportunity to meet the needs of the community while incorporating something I am passionate about---nursing! Working together and talking to other volunteers that have been volunteering in the community for many years has been an inspiration. I welcome the opportunity to continue to volunteer at this facility outside the requirements of this course. What an amazing experience!”

“Volunteering at The CARE Clinic this week was an endearing experience and I know that the services provided to those patients had a positive effect on their lives. Some of the patients had uncontrolled hypertension and knew that they needed to be on medication, but were unaware of the services offered at the clinic. Being their first visit, it was important for them to have a pleasant experience in order for them to feel comfortable enough to return for further treatment and medications. I feel that every patient I interacted with was treated with respect, dignity, and a caring attitude; and maybe that was enough to bring them back.”
BOARD RETREAT

Saturday, April 28th, The CARE Clinic held a retreat for Board members and staff at the Cape Fear Valley Medical Center Education offices. The twenty-four attendees were informed, educated and challenged by the three speakers. Melissa LaRoy of On Fire Non-Profit Consulting was the keynote speaker as well as facilitator of the Marketing and Public Relations track. In her keynote address, “Sustaining Nonprofits in the New Economy”, Melissa both educated and challenged us to become “donor-centric.” In order to remain viable we must enable our donors to “make a difference.” We must keep in close touch with our donors, be specific in articulating our needs and above all, be “incredibly transparent.”

Dennis Coker, the Executive Director of the Free Medical Clinic of Columbia, SC led the Clinical track. Dennis shared his experience of managing a clinic which is staffed by both paid and volunteer personnel. The Free Medical Clinic employs a part-time physician and a full-time nurse practitioner in addition to 95 volunteer providers and is open 40-plus hours per week. Dennis provided much “food for thought” as we look to expand our services.

Mike Darrow of MAD Consulting and a former Executive Director of the Association of North Carolina Free Clinics was our business leader and spoke to financial substantiability as we plan an expansion of services. Mike met with our Development Committee members as they brainstormed how to secure the financial future of The CARE Clinic.

Everyone left our day-long retreat energized. We felt good about our current structure and services and optimistic about our future. The Retreat Committee and the Executive Committee met in May and early June to review information gleaned from the retreat participants and chart our course. A Long Range Planning Committee will convene in September and begin the process of looking at our current care delivery model and proposing changes to better serve our patients.

A special thanks to our hardworking Retreat Committee; Karen Mantzours, Jean Harrison, Joy Miller and Don Bray - and of course, Cathy Ory and Gloria Williams who provided staff support. And Thank You! to all who participated. The commitment and support of The CARE Clinic board to our mission and to our patients is what makes me so proud to serve alongside each board member. – Brenda Booth

METHODOIST UNIVERSITY MARKETING
STUDENTS GIVE ASSISTANCE

Earlier this year, The CARE Clinic was approached by three Methodist University students in the Business & Marketing Department to assist us in the area of social media as their senior project. Josh Caminette, Mark Jernigan and Sherill McMillan have assisted us greatly by getting us using social media as a part of our non-profit organization’s marketing plan. This is very important to us as we are always striving to reach more people, but most importantly, in a way that is of no cost to us. They transferred the “Friends” on our existing page, so we would not lose our contacts. They uploaded our Microsoft Outlook e-mails and sent a message to all of our “Friends” asking them to “Like” our new Facebook page and letting them know that our old site would be discontinued. They have shown us how to best use our Facebook page to maximize our exposure in the community. They also set up a Linked-in and a Twitter page for us and told us how we might use these pages to recruit volunteers for our clinic, whom we rely on to treat our patients. Another thing they did was to tour our clinic and make The CARE Clinic’s very first YouTube video.

As a result, our Facebook page now has 366 Fans with more being added each week. We are learning how to utilize our page with content that is interesting to our followers. If you are a volunteer and would like to put a post on our page about why you love helping at the clinic, just e-mail Gloria at projects@thecareclinic.org and she will handle it for you. You can also comment to one of our posts. To follow us on Facebook, go to our website at www.thecareclinic.org and click on the Facebook logo in the menu section. Please “Like” and “Share” all of our posts with your friends so we can take full advantage of this free tool to reach as many as people as possible and achieve our ultimate goal of getting more volunteers and supporters. Thanks for your help!
