Dr. Htun Memorial

Dr. Pyi Thet Htun worked and served the Cumberland County community for many years as a physician at Valley Internal Medicine and at StatCare. He was an exemplary humanitarian and loving husband, father, son and brother to his family here and in Myanmar, where he was born. Dr. Htun was highly respected by his patients and colleagues for his genuine caring attitude and kindness. It was therefore a great loss to our community when Dr. Htun passed away last September after a long illness.

Physician friends and Sandhills Physicians Inc. felt compelled to establish a lasting tribute to Dr. Htun's memory. Since Dr. Htun's widow, Dr. Thidar Aung, has been volunteering at The CARE Clinic since 2005, she graciously suggested making a donation to our clinic. Through the collaborative efforts of the two groups, \$6,300 was raised to sponsor

our Nurses Station in memory of Dr. Pyi Thet Htun. The CARE Clinic sincerely appreciates Dr. Aung, physician friends, and Sandhills Physicians Inc. for choosing our clinic for this generous memorial tribute to Dr. Htun.

The Warmth of CARE

During the unusually cold winter weather we have had recently, we can't help but think of the less fortunate among us who don't have a warm house to go home to. Lynn put a face to this when she came in for her appointment. She told us she had been suffering from a cough and runny nose for over 3 weeks. She was constantly tired because she coughed all night instead of sleeping. Only 27 years old, Lynn told us the last time she had received any medical care was in 2003 while she was a college student. She had recently fallen on hard times and is currently living in her car. Not surprisingly, Lynn developed a cough, sore throat, runny nose and earache.

Our volunteer physician diagnosed a sinus infection and our volunteer pharmacist quickly filled the prescription that would provide Lynn with relief and a good night's sleep. A few weeks after Lynn was seen, we received a letter from her, thanking us for caring for her. In part her letter read "You all treated me with more compassion than my own family does. Thank you for making me feel like I was a human being and not just a crazy person who deserves to live on the streets." The last time we heard from Lynn she had just gotten a new job and is getting her life back on track.

Patient Comments

"I found out about you from an associate and otherwise probably would have gone to the emergency room for my care. I was treated here with courtesy and respect. My medical needs were given courteous and professional attention. The staff at the clinic treated me as if they were genuinely concerned with my well being. I would recommend The CARE Clinic to a friend."

"The CARE Clinic far exceeded my expectations and the staff went above and beyond to meet my needs. I am grateful for the care I received. The staff was great. I love their attitudes. Continue the great services!"

"The Women's Center told me about the clinic. If it weren't for this clinic, I don't know what I would do because I don't have health insurance and I don't make much money. I thank God for you!!!"

"A friend told me about the clinic and if I hadn't come here, I would have to go to The Health Department or Cape Fear Valley's Express Care. I like the people that work here and the place is very clean. I thank God for The CARE Clinic."

"I heard about the clinic from a friend. I have always enjoyed coming here. The staff is always helpful. Thank you for this clinic. If not, I would never get medical help. God bless you all!"

"I heard about The CARE Clinic at The Health Department and if I hadn't come here, I would have no where else to go. I was rather surprised at the facility. It was very clean and the staff was very helpful. Most places that offer free care are not clean or helpful."

"A friend told me about the clinic and otherwise I would go to the hos-

pital's emergency room. The staff is always extremely helpful and kind. Everything is always explained to me in a manner that I can understand and they go out of their way to help find the needed resources. Thanks to everyone who volunteers their time and effort. It is so greatly appreciated!"

"My daughter told me to call here for an appointment. I am happy with the service and treatment. The people are nice and very informed. They explain in detail what they are doing and what is going on with me."

"I found The CARE Clinic when I did an online search for free clinics. I would probably go to the Health Department if I didn't come here. The staff is always polite, friendly and provides me with the best care possible"

"My Mom told me about the clinic and if I didn't come here, I would go to an urgent care or to Cape Fear Valley Hospital. It was a great experience at the clinic and everything was given to me responsibly and respectfully."

"Because of The CARE Clinic, I am able to keep my blood pressure within normal range."

"This clinic really helps me out because I have no insurance at all and you all give me the assistance that I need. I thank you for that."

"A pharmacist suggested I come here when I told him I was looking for a place to go and I honestly don't know where else I would have gone. Medical care is so expensive. It would really tax me financially if you weren't here. Thank you so much."

Endowment Fund

In response to suggestions from several donors, The CARE Clinic has established a charitable endowment fund at the Cumberland Community Foundation. Placing endowment funds at the Foundation offers donors reassurance that the funds earmarked for endowment purposes will be used for such and not be invaded when a crisis arises. As specified in our agreement, this fund "shall be used exclusively for the benefit of The CARE Clinic for general support, including programs, operations, facilities, and other needs of the organization."

Donors may continue to make donations directly to The CARE Clinic, but will now have an additional option of supporting the clinic by making a donation to our endowment fund at the Foundation. If you are interested in making a contribution to this fund, please contact Mary Holmes, Executive Director of the Cumberland Community Foundation, at PO Box 2345, Fayetteville, NC 28302, or by calling (910) 483-4449.

Sister Jean Rhoads Board Room

Friends and loyal supporters of The CARE Clinic have established a fund to name The CARE Clinic's Board Room in honor of Sister Jean Rhoads to recognize her invaluable leadership in developing The CARE Clinic. At the request of Catholic Social Ministries, the Daughters of Charity sent Sister Jean to Fayetteville as a volunteer in September 1992 to establish a free health clinic. Over the course of the next year Sister Jean worked diligently with a steering committee to develop the clinic from scratch. Incredibly, The CARE Clinic opened its doors for service to uninsured, low income residents of Cumberland County on November 16, 1993. Sister Jean Rhoads continued to serve as the first Executive Director of The CARE Clinic until 1998.

The Named Gift Opportunity for the Board Room is \$50,000. Currently, \$27,350 has been raised. If you would like to contribute towards naming the Board Room in honor of Sister Jean Rhoads, please contact the clinic at 485-0555 or projects@nc.rr.com.
