

The CARE Clinic invites you to be a donor for our annual functions. Our events are a golf tournament, silent auction at our wine tasting and our volunteer appreciation dinner. We would greatly appreciate your donation and acknowledge that we are a 501 c (3) non-profit organization with Tax ID # 56-1837010. We receive no government assistance and rely entirely on the generosity of donors, businesses, organizations, churches, grants from foundations and fundraising events to continue to treat those in need in our community. Although our patients are not charged for their care, they are asked at each visit if they would like to give a donation and have given over \$200,000 since we opened our doors almost 18 years ago!

The CARE Clinic's mission is to provide free quality health care to uninsured, low income adults who live in Cumberland County. Many of our patients work, but cannot afford health insurance or because of the economy, have lost their jobs and their health insurance along with it. More than 500 community professional and administrative volunteers give staff support through committees, data entry and by providing basic medical and dental extraction services to adult clinic patients. Our fundraising events provide the funds needed to treat our clinic patients and our annual volunteer event gives well-deserved appreciation to our dedicated volunteers, many of whom have been serving our patients since the clinic opened in November 1993!

If you are donating a gift certificate, please make the expiration date for one year from the date of issue, so we will have the opportunity to use it for a variety of our events. If you have any questions, please contact Gloria at projects@nc.rr.com or 485-0555. You can find out more about us at www.thecareclinic.org. Thank you for your support!

Sincerely,

Gloria J. Williams
