

**The CARE Clinic** relies on volunteers who generously give their time to work evening hours providing free quality medical care and dental extractions to uninsured, low income adults in need. We need all clinical staff as well as non-clinical volunteers who help with fund-raising events, on committees, with yard work, and with bulk mailings. ***Make a difference in our community...contact us to schedule a time to help.*** Thanks to all of our volunteers who have given their time to **The CARE Clinic** over the past 17 years!
