

## 2010 Volunteer Appreciation Event

The CARE Clinic's Annual Volunteer Appreciation Event was held on Monday, March 29th at the Hay Street United Methodist Church Hall. There was a good crowd with 125 volunteers, guests and staff attending. Volunteer awards were presented in three categories: Administrative, Group and Community. The Clinical award recipient was not present, so that award will be given at a later date.

The Administrative award was presented to two people who have volunteered at the clinic together since 1994. They are Estelle Richard and Nettie Hawkins whose job at the clinic is to go through every bill we pay on a quarterly basis to file for our state sales tax refund. They are very dedicated to the clinic and, of course, do a great job!

The Group award was presented to Jean Cavaco, of Westminster Presbyterian Church. The church has been staffing one of our Thursday evening clinics every other month since 2006. We appreciate the support of ALL of the volunteers who attend their church and donate their evening to treat our patients. What a wonderful gift of community service!

The Community Award went to Retired Brigadier General Joseph Nagel, who has been volunteering at the clinic since before it was even open! He was on the original steering committee in 1992 and has been committed to the well-being and success of the clinic and it's programs ever since. He has been a Board President and has been on the Development and other committees over the years. His association with the military community at Fort Bragg has been a great asset to the clinic and he has recently been involved in developing relationships with businesses coming here due to BRAC.

Thanks so much to our Sponsors for this event:

Hay Street United Methodist Church for the hall  
Dr. David Galatas for paying for the labor for our caterer  
Martha Goetz and Cecilia Marks for the beautiful Camellias  
Lillian's Trophies for the donation of the award plaques  
Rick Ramos for singing and playing the guitar for our guests

Thanks also to our caterer, Pam Bishop, and her delicious meal of Lime Chicken with Mango Salsa, Couscous, Mandarin Salad, Green Beans and the delicious cakes for dessert. I know that everyone enjoyed it!

Thanks so much to everyone who attended and to ALL of our volunteers. The CARE Clinic would not be here without your dedication and support!
