Visit to The CARE Clinic Saves Life

Bonnie had to cut her career short when her mom became very ill. Retiring early to drive her mom to doctor appointments in Charlotte left her uninsured. When Bonnie began feeling bad, she spoke with her mom's doctor and he said that he would treat her. It was determined that she had high blood pressure but after some time, the amount of money she was paying to see her new doctor was more than she could afford. One day while discussing her situation with a friend, she was fortunate to learn about The CARE Clinic. Bonnie called right away and made an appointment to be seen so that she could get her needed medications at no cost. At her appointment she began telling the doctor some new symptoms she was having and a blood test was ordered. The results of the bloodwork confirmed multiple myeloma. Bonnie was referred out for treatment. "If it wasn't for The CARE Clinic, I don't know if the cancer would have been detected. I have insurance now so The CARE Clinic can't see me anymore. There are a bunch of good ladies that work there." said Bonnie.

Combined Campaigns

The CARE Clinic has been approved for participation in the 2020 (Fall 2020) Combined Federal Campaign. **Our permanent designation code is CFC # 91950.** We greatly appreciate your donations to the clinic and hope that you will plan to help us in this fall's campaign. Please contact us at 485-0555 or care@thecareclinic.org if you need any additional information.

The CARE Clinic has also received approval to participate in the State Employees Combined Campaign. We have participated in the Combined Federal Campaign since 1995 and the State Campaign since 2011. We ask you to consider designating **The CARE Clinic #3746** as the charity of your choice if you are a state employee and contribute to the combined campaign.

20th Annual Toast of the Town

The 20th Annual Toast of the Town was canceled due to the COVID-19 restrictions placed on social gatherings. As a way to raise the funds that we lost without the event, we chose to hold an online auction with all of the wonderful items that had been donated from local businesses. The online auction was held Friday, June 26 through Sunday, June 28. Twenty people bid on seventeen items which included jewelry, gift baskets, flowers for a year and a party for ten at Board & Brush. The silent auction raised \$2330. We also sold 108 50/50 raffle tickets during the online auction. Sandy Ammons was the winner and received a check for \$540. Thank you to everyone that participated!

We are very grateful for the following sponsors who graciously supported us although we could not hold the event this year:

Operation Round Up Grant Received

Operation Round Up is a voluntary program for South River Electric Membership Corporation members to have your electric bill rounded up to the next whole dollar. The extra change is deposited into the Operation Round Up Fund. The South River Community Assistance Corporation (CAC), a nonprofit foundation, oversees the distribution of funds. An independent board of directors, made up of community leaders, governs the CAC and the distribution of funds. The funds are given primarily to organizations that are serving either the health, safety, educational or recreational needs of citizens within our service area. Nonprofit agencies in Harnett, Cumberland, Sampson, Johnston and Bladen counties may apply for up to \$5,000 annually to implement programs or purchase needed equipment to facilitate a program, which will help in our local communities. We are pleased to announce that The CARE Clinic received a \$5,000 grant this year. Thank you to the CAC for selecting The CARE Clinic and to the members that chose to "Round Up."

COVID-19 Update

As the Coronavirus hit our community, it had a large impact on The CARE Clinic. On March 17 we closed all dental clinics and on March 30 we closed all medical clinics. In April we canceled seven day clinics, sixteen night medical clinics, nine dental clinics and nine specialty clinics. We continued to provide needed medications for our established patients as our staff worked partially at the Clinic and partially from home. We currently have all clinics operating with strict measures to keep our patients, volunteers and staff safe. Thank you to all of our volunteers and donors who continue to support us during these challenging times.

*The CARE Clinic
Receives Gold Rating*

The CARE Clinic earned a 2020 Gold Rating from the National Association of Free and Charitable Clinics (NAFC) Quality Standards Program. The mission of the National Association of Free and Charitable Clinics is to ensure the medically underserved have access to affordable health care. The NAFC and its members are dedicated to ensuring that patients receive quality health care. To quantify and qualify the care provided at the Free and Charitable Clinic network, the NAFC formalized a set of Quality Standards for member organizations. NAFC Members voluntarily submit information to the NAFC on the various policies and procedures in place to attain their standards rating and attest/pledge that they successfully incorporate these standards within their organization. We are excited to have received this top rating highlighting our commitment to providing quality care for our patients.

If you would like to play in the tournament, sponsor a player, sponsor one of our brave Ft. Bragg soldiers or a four-person team, sponsor a hole sign, give a donation, or simply get more detailed information, please contact Cynthia at development@thecareclinic.org or 485-0555. Being the hands and feet of Jesus

I have often heard people use the term "Being the hands and feet of Jesus". When I hear that the thought runs through my mind as to what that means to them as they say it with such deep conviction. So, what does "Being the hands and feet of Jesus" look like in your mind? Does it look like a young couple taking their family and moving to another country so they can preach and teach the gospel? While they are leading as many people to Jesus as they possibly can, is that what it looks like? Maybe it looks like saving your money and flying to another country where the gospel is needed. Go there, spend a week or so doing mission work and returning home. Maybe it is staying within the states and doing a mission trip in a community people are struggling. Maybe it is going into a disaster area where there is flooding, or a tornado and such and providing assistance to the people who are going through the disaster. All of these things I have mentioned are sure ways of "Being the hands and feet of Jesus".

The account of Matthew 25:34-40(NKJV) Then the King will say to those on His right hand, 'Come, you blessed of My Father, inherit the kingdom prepared for you from the foundation of the world: for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me.' "Then the righteous will answer Him, saying, 'Lord, when did we see You hungry and feed You, or thirsty and give You drink? When did we see You a stranger and take You in, or naked and clothe You? Or when did we see You sick, or in prison, and come to You?' And the King will answer and say to them, 'Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.' "Being the hands and feet of Jesus" can be as simple as providing for your neighbor next door, food to eat, water to drink, cloths to put on. We can "Be the hands and feet of Jesus" by visiting the sick or those in prison. Many people are prisoners in their own home, a visit or a call can make a world of difference in that person's life. We can "Be the hands and feet of Jesus" just by reaching out to that person right in front of us.

It is Love I desire not sacrifice.

Hosea 6:6

The prophet Joel tells us that God desires our love above all other gifts we can give to him. Loving God may seem to be an impossible task until we remember that Saint John tells us that we show our love for God by loving our brothers and sisters – his beloved children. Jesus told us that what we do for any of his children we do for him. Love one another as he has loved us.

“ .. for I was sick and you cared for me, ... ”

Matthew 25:36
