DEVELOPMENT & MARKETING DIRECTOR

A New Staff Member!

The CARE Clinic Board of Directors and staff are very pleased to welcome Cynthia M. Spears, in our newly established position of Development & Marketing Director. She joined the staff on July 3rd and has already begun to look for new ways to raise funds and make new friends for the Clinic. We are looking forward to helping Cynthia develop this new position as she works to increase our visibility and support in the community.

“A native of Stanly County, North Carolina; I have been in Fayetteville for nearly 25 years. I am married and have three children and one of my favorite things to do is spend time with them at the beach. I graduated from Wingate College with a BS in Communications. While living and working in Fayetteville, I have been involved in the March of Dimes, United Way, Fayetteville Area Chamber of Commerce, Partnership for Children of Cumberland County and many other organizations. I love meeting new people and feeling like I’m making a difference in my community. I KNOW The CARE Clinic is making a difference in the community and I am thrilled to be part of this wonderful organization”.

YOU NEVER KNOW

As a friend and supporter of The CARE Clinic, you know we provide free health care services to low-income, uninsured adults. You probably have some impression of what you think our “typical” patient is like. After serving on the board for a while, one of our long time volunteers decided to volunteer during an evening clinic. She was shocked to see people she knew coming in as patients - day care workers, waiters, and even people from her church. She interacted with these people all the time and had no idea how they were struggling with health concerns, no insurance and a surprisingly low household income. The experience was life changing for her. As she said, “There but for the grace of God go I.” Now she has taken on the mission to help spread the word about The CARE Clinic to those who may need our help.

You too can be an ambassador for The CARE Clinic. You don’t need to worry about embarrassing someone by asking if they have health insurance. Simply tell them about us and say “If you know anyone who doesn’t have health insurance, please tell them about The CARE Clinic.” We even have business cards describing our services that you can leave with your tip when you go out to eat. Please help us spread the word to those who need our services. You never know how a simple act can make a positive difference in someone’s life.

17TH ANNUAL WINE & BEER TASTING

Our guests were greeted at this year's event in the grand Entrance Pavilion of the Cape Fear Botanical Garden at our Wine & Beer Tasting and Silent auction on Thursday, April 27th! This new venue brought a fresh, new atmosphere to the evening with many of our guests saying how much they enjoyed our new location for this annual event! Twenty-nine silent auction items were offered for bidding and raised a total of \$7,105! Among them was a tour of the Napa Valley, a week in the Tuscany region of Italy, home improvement projects, artwork, memorabilia and fitness packages! Steve Zahran and Mutual Distributing again provided great selections of wine from all around the world, as well as a nice selection of beers. The wine glasses were again sponsored by Cape Fear Valley Health and the pint-sized pub glasses were donated again this year by Bragg Mutual Federal Credit Union. The Mash House Brewery was our beer vendor for the evening and was very popular among our guests. Mark Pezzella and his Five Star Entertainment crew did a fantastic job with the lighting, sound and DJ, making the whole venue very festive. Thanks to our many sponsors, guests and donors' combined efforts, a net profit of \$32,728 was made to benefit our many patients in need!

Our hardworking committee members were: Faith Adams, Tara Brisson Hinton and Bill Drewry, co-chairs; Aurora Alexander, Liz Belk, Tellie Brown, Anja Gillespie, Cely Graham, Caroline Gregory, Bill Jordan, Brad Laub, Steve Milburn, Mark Pezzella, Lora Sibley and Rachel Violette. We could not have put on this event without our wonderful CARE Clinic volunteers who always help when asked!

Our thanks to Gordon Johnson Architecture for their great design and production of our two Sponsor Boards.

The CARE Clinic
239 Robeson St. | Fayetteville, NC 28301
910-485-0555 | www.thecareclinic.org

We extend a gracious thank you to all of our generous sponsors, silent auction donors, committee members, event volunteers and, of course, to all our wonderful guests who support The CARE Clinic by attending the event. Please go to www.thecareclinic.org/winertasting.php to view pictures from this year's event and select "2017 Wine Tasting Sponsor Board" to see all of our generous sponsors.

Next year's 18th Annual "Toast of the Town" Wine & Beer Tasting will be on Thursday, April 26, 2018 again at Cape Fear Botanical Garden. Mark your calendars so you don't miss out on this annual event that keeps getting better each year!

LOCAL MISSION PROJECT

On June 21st, volunteers from Snyder Memorial Baptist Church participated in a local mission project at The CARE Clinic. Three ladies and one youth showed up to work outside, despite some light rain. Although they were a small group, they got the job done trimming vines off our fence to allow for greater visibility in our parking lot. They also trimmed some tree limbs that were hanging over some parking spaces. A second group of Snyder volunteers helped inside the Clinic by removing expired medications from bottles and putting them inside Ziploc bags, so they could be disposed of at the police department. They also alphabetized some notebooks, made new files folders for older ones and organized the dental and medical exam rooms. They contributed about 5 hours of work toward the project. Everyone enjoyed themselves, got a lot accomplished, and were happy to assist with this great cause. . . Thanks so much for giving of your time to help us!

GROWING THE GOOD SEED

A seed is a miracle in a shell waiting to be in the right place at the right time to bust out and grow. Seeds stored in the proper condition have been known to last for centuries and when planted would grow and produce fruit or grain. The Word of God (Bible) is characterized as a “seed” (Matthew 13) and Peter talks about corruptible and incorruptible seed. He also explains in 1 Peter 1:23 how we are born again through the word of God, or the incorruptible seed. This lets us know that various types of seeds are sown into our soul each day, some produce corruption and others are the good seed of God's Word. We have seeds of anger, hate, lust, greed... etc... thrown our way every day. When we allow these thoughts (seeds) to lie in our spirit, they have the potential of producing that fruit in our lives. We can also receive the seeds of love, joy, peace, comfort, friendship... etc. and these are the seeds we want to sprout and bear fruit. Another fact to ponder – what type of seed are you sowing? What you put into others can produce harm or good, so, sow well my friend, sow well. Have a blessed day and be a blessing to others!

BUNDLING OF FUNDRAISING EVENTS

Community, Commitment and Caring... that is what The CARE Clinic has stood for since our beginning in November 1993. To accomplish that mission, the Clinic has depended on generous donors for support. To make it easier for our donors to do just that, The CARE Clinic has begun the "Partners in CARE" program which bundles our three yearly fundraising events together, allowing a partnering donor to support more than one event at a discounted rate. The donor must agree to sponsor all three events, i.e. the Evening of CARE Dinners, Wine & Beer Tasting and Golf Charity and contribute at least \$2,000 toward these events in one fiscal year. To receive the 10% discounted bundle rate, they must pay when the form is completed. Additionally, if the donor prefers not to contribute their total contribution at one time, a convenient monthly payment plan can be arranged. Those interested in taking part in this program or needing more information should contact Gloria at projects@thecareclinic.org or 910-485-0555. A brochure detailing this new program is available upon request. As always, we thank you for your continued support!

COMBINED CAMPAIGNS

The CARE Clinic has been approved for participation in the 2018 (Fall 2017) Combined Federal Campaign. Our permanent designation code is CFC # 91950. We greatly appreciate your donations to the clinic and hope that you will plan to help us in this fall's campaign. Please contact us at 485-0555 or care@thecareclinic.org if you need any additional information.

The CARE Clinic has also received approval to participate in the State Employees Combined Campaign. We have participated in the Combined Federal Campaign since 1995 and the State Campaign since 2011. We ask you to consider designating The CARE Clinic #3746 as the charity of your choice if you are a state employee and contribute to the combined campaign.

23RD ANNUAL GOLF CHARITY

The CARE Clinic Golf Charity is scheduled for Friday, September 22, 2017 at Gates Four Golf & Country Club. The tournament format is a Captain's Choice with four-person teams. It begins at 11:00 a.m. with lunch and registration and continues with a shotgun start at 12:30 p.m. This major fundraiser netted \$28,960 last year to help us in our mission to our community's uninsured adults. We invite you to participate in this wonderful event! If you are not a golfer, but would like to help out, we are in need of sponsors for the tournament expenses, such as catering, greens fees and mailings. If you would like to play in the tournament, sponsor a player, one of our brave Ft. Bragg soldiers or a four-person team, sponsor a hole sign, give a donation, or simply get more detailed information, please contact Gloria at projects@thecareclinic.org or go to the golf page on our website at www.thecareclinic.org/golf_tournament.php to download a registration form. Thanks for your support!

DAYTIME PHARMACIST NEEDED

The CARE Clinic holds a diabetes clinic on Tuesday afternoons from 1:00 p.m. until usually about 4:00 p.m. We are blessed to have dedicated daytime volunteers who regularly staff these clinics, including retired pharmacists. However, one of our regular pharmacists will be leaving us soon for health concerns. We are currently looking for a licensed pharmacist, retired or available on Tuesday afternoons, who could volunteer with us every other week. This person will be working with one of the two outstanding retired physicians who run this clinic on alternate weeks, Dr. Henry Izurieta and Dr. Eugene Wright. If you have the proper credentials and are interested in exploring this opportunity further, please call Cathy Riddle or Julie Dixon at 485-0555.

UPCOMING EVENTS - MARK YOUR CALENDARS!

September 22nd – 23rd Annual Golf Charity at Gates Four Golf & Country Club.

October 14th – Downtown Crawl for CARE. Purchase a wristband from The CARE Clinic for special discounts from shops and restaurants in Downtown Fayetteville.

October 15th – December 10th – Holiday Card Program.

November 13th – Celebration of Thanksgiving luncheon in CARE Clinic board room.

February 3, 2018 – 21st Annual Evening of CARE Dinners in area host homes. If you are interested in being a sponsor or opening your home as a host, please contact Gloria.

If you would like to find out more about any of these events or programs, please contact Gloria at 485-0555 at projects@thecareclinic.org or Cynthia at development@thecareclinic.org.
