Full Circle Moments

For Patricia, a patient at The CARE Clinic for the past two years, the journey to better health has been transformative. Diagnosed with diabetes, she felt overwhelmed and unsure of how to manage her condition. However, everything changed when she began receiving care at The CARE Clinic's Diabetes Clinic.

Patricia recalls her first visit, where she was met with compassion and understanding. "From day one, the staff made me feel like I mattered," she shares. "They listened to my concerns and helped me understand my condition in a way that made sense to me." With personalized treatment plans and regular check-ups, Patricia found the guidance she needed to take charge of her health.

Over time, her health has improved tremendously. "I've learned how to monitor my blood sugar levels and make healthier food choices," she explains. "The support from the team has been invaluable. They've encouraged me not just to manage my diabetes but to truly care about my overall health."

Patricia's perspective on self-care has shifted significantly. "If The CARE Clinic can care this much about my health, then I should be doing the same for myself," she says, her voice filled with determination. This newfound commitment has not only improved her physical health but also her mental and emotional well-being.

Inspired by the support she has received, Patricia hopes to give back to her community one day. "I want to volunteer at The CARE Clinic," she states with enthusiasm. "I've seen firsthand how they change lives, and I want to be part of that. I want to help others who might be feeling lost like I once was."

Patricia's journey is a testament to the power of compassionate care and the impact it can have on an individual's life. With the support of The CARE Clinic, she is not just managing her diabetes; she is thriving—and looking forward to a future where she can help others achieve the same.

Her story serves as a reminder of the importance of community and the difference one person can make. Patricia is living proof that with the right support, anyone can take control of their health and inspire others along the way.

Welcome New Staff!

We are excited to introduce **Tika Mitchell**, who joined The CARE Clinic team in July 2024 as our Certified Pharmacy Technician! With five years of experience in the field, Tika brings a wealth of knowledge and expertise to our clinic. In addition to her role here, she also works at Walmart Pharmacy, further enhancing her skills and experience.

Currently, Tika is pursuing a degree in Health Information Technology at Pitt Community College, demonstrating her commitment to advancing her career in healthcare. At 32 years old, she is happily married to her beautiful wife, Devin, and together they share their lives with two beloved dogs, Jax and Chi Chi.

In her free time, Tika enjoys cooking, trying new foods, and cheering on her favorite basketball teams. When asked about her work at The CARE Clinic, Tika expressed, "I love working for The CARE Clinic because I love that it's a place for those in need."

Please join us in welcoming Tika to our team! We are thrilled to have her on board and look forward to the positive impact she will make in our community.

We are thrilled to introduce **Christy Baxley**, who joined The CARE Clinic as our Clinical Director in July 2024. A dedicated Registered Nurse, Christy earned her nursing degree from Sampson Community College in 2001. She also has a background in Veterinary Technology, having studied for two years at Central Carolina in 1989. She served as Veterinary Tech for 11 years at various local animal hospitals.

With two years of experience in Otolaryngology and an impressive 22 years in long-term care and rehabilitation, Christy brings a wealth of knowledge and expertise to our clinic. She is also certified in wound care.

Born in Germany while her father served in the military, Christy moved to the United States at the age of six. She grew up on Fort Bragg and has called the Fayetteville area home for a long time. Christy has a deep love for animals, particularly dogs and horses, and enjoys spending her free time at the beach and cherishing moments with her grandchildren.

Please join us in welcoming Christy to The CARE Clinic team! We are excited to have her leadership and passion for patient care as we continue to serve our community.

24th Annual Toast of the Town Wine Tasting & Silent Auction

On September 20, 2024, The CARE Clinic held its 24th Annual Toast of the Town Wine Tasting and Silent Auction at the breathtaking Cape Fear Botanical Gardens. The event was a resounding success, raising over \$22,500 to support our vital healthcare and dental services for the community.

Guests arrived to a stunning setting, surrounded by the beauty of the gardens as the sun set. The evening was filled with laughter, camaraderie, and the delightful clinking of glasses as attendees savored a carefully curated selection of wines. Each sip was complemented by delicious hors d'oeuvres by Chef Matt Register of South Catering located in Garland, NC that added to the festive atmosphere.

The VIP Wine and Food Pairing Experience, led by Angie Malave, former owner of The Wine Café, was a delightful and intimate prelude to the main Toast of the Town event. Held in honor of longtime CARE Clinic volunteer Rachel Violette, this special event took place 30 minutes before the larger gathering, offering an exclusive opportunity for participants to indulge in expertly curated wine and food pairings.

Angie guided guests through a tasting journey, pairing a selection of specialty wines with an array of gourmet food options. Her deep knowledge and passion for wine created an enriching experience that celebrated both the art of pairing and the dedication of Rachel Violette to The CARE Clinic. The evening set a warm, celebratory tone before the main

event, highlighting the connection between food, wine, and community service.

The silent auction showcased an incredible array of items generously donated by local businesses and supporters. From luxurious getaways to unique art pieces, the auction was a hub of excitement, with guests enthusiastically bidding to support a great cause.

Many thanks to Five Star Entertainment, music filled the air, inspiring many to dance and celebrate not just the event, but the community spirit that makes The CARE Clinic so special. The energy of the night was palpable, as friends old and new came together for a common purpose: to raise funds for those in need.

A heartfelt thank you goes out to all of our sponsors whose generosity made this event possible. Your support is instrumental in helping us provide essential healthcare and dental services, and we are incredibly grateful for your commitment to our mission.

As we reflect on this memorable evening, we are filled with gratitude for our wonderful community. Together, we are making a significant impact in the lives of those we serve. We look forward to seeing you at next year's Toast of the Town, where we can once again come together to celebrate and support The CARE Clinic!

Upcoming Events Mark Your Calendars!

November 25th - December 4th - Giving Tuesday

February 1st - 8th - Week of CARE Dinners

Patient Reviews

1. "So far, I haven't had any problems, been seen by a wonderful staff. Keep doing what God has given you to help His children to be healthy. Thank you CARE Clinic Staff."
2. "I really appreciate the doctors for taking it easy on me... They were so polite and generous.... I have nothing bad to say... They made me feel so comfortable.... I really appreciate that...."
3. "Very friendly, respectful and professional Staff. You feel that they really care. The clinic is clean and they see you right away. My mother in law was denied for Medicaid, she is 64, has high blood pressure and high cholesterol. Unfortunately, we couldn't afford any other insurance at the moment. The health department offered us an appointment 6 months from the date I called!!! The CARE Clinic was the light at the end of the tunnel and their kindness and professionalism make me give them five stars. They provide quality health care for all. Thank you so much!"

Help Us Cut Costs

From our newsletters to our event invitations, we send out A LOT of mail. We are trying to cut costs by eliminating unnecessary mailings and excessive volumes of returned mail. Please help us update our database and mailing lists. If you receive more than one of mailing or have had a change of address in the last year, please contact Kaleigh Mason at (910) 485-0555 or email her at admin@thecareclinic.org. You can also contact her if you are interested in receiving this newsletter digitally. This will help us keep our network up-to-date with the clinic, while also reducing unnecessary expenditures.
