The CARE Clinic Thanks Donors for a Successful Giving Tuesday Campaign

Cumberland Community Foundation's
GIVING TUESDAY
November 25 - December 4

The CARE Clinic is thrilled to share the incredible success of our participation in the Cumberland Community Foundation's Giving Tuesday Campaign, which took place from November 25, 2024, to December 4, 2024. Thanks to the generous support of our community, we were able to raise an outstanding \$80,785 to help us continue our mission of providing care to low-income and uninsured individuals.

A special thank you goes out to the following organizations and individuals who donated funds to amplify the gifts made directly to us by our donors. Because of their generosity, The CARE Clinic's gift was amplified by an additional \$18,707:

- Cumberland Community Foundation
- Fayetteville New Car Dealers Association
- Elizabeth "Beth" Keeney
- Carol and Sammy Short
- Daphne and Ray Manning
- Will Gillis
- CCF Board of Directors
- Three anonymous donors

Your support ensures that The CARE Clinic can continue to offer essential health services to those who need it most. The funds raised will directly benefit our patients and allow us to expand our programs and services, making a lasting impact on the lives of many in our community.

We are deeply grateful for each and every donation, and we are honored to have such dedicated supporters who share in our mission. Thank you for helping make this year's Giving Tuesday a tremendous success!

The CARE Clinic Enhances Patient Care with AI Translator

At The CARE Clinic, we are always striving to improve the patient experience, and our recent purchase of an advanced AI Translator is helping us do just that. This cutting-edge device can translate 138 different languages, offering real-time translation for conversations, photos, documents, and more.

With this new tool, we can assist patients who do not primarily speak English from the moment they call or walk through our doors. The days of waiting for a translator to become available are over—now, our staff can immediately communicate with patients in their preferred language, ensuring smoother interactions and better care.

The AI Translator has made a significant difference in how we serve our diverse community, breaking down language barriers and enhancing accessibility to healthcare. We are excited about the positive impact it's already having on our patients and look forward to using it to provide even more efficient and compassionate care in the future.

We Need YOU!

At The CARE Clinic, we are always looking for passionate individuals to help us continue our mission of providing quality care to those in need. We are currently seeking new members for our committees, and we would love for you to get involved!

Our committees play a crucial role in organizing events, building relationships, and supporting our clinic's work. We are looking for members to join the following committees:

- **Week of CARE Committee**
- **Development Committee**
- **Congregations of CARE Committee**
- **Golf Committee**
- **Community Relations/Volunteer Committee**
- **Toast of the Town Committee**

By becoming a committee member, you will have the opportunity to make a real impact on the clinic and the community we serve. Whether you have a passion for fundraising, event planning, or volunteer coordination, there's a committee that could benefit from your skills and ideas.

If you're interested in joining or learning more about any of these committees, please reach out to our Development & Marketing Director, Aiyana at development@thecareclinic.org or (910) 485-0555. Together, we can make a difference!

A New Man

Nearly two years ago, James walked through the doors of The CARE Clinic facing a range of health issues that left him struggling to get the care he needed. Today, with the support of the clinic's dedicated staff and volunteers, James is thriving.

When James first arrived, he needed more than just a general check-up. He faced multiple challenges, from dental extractions to dermatology care and even specialized treatment for his spine. Thanks to The CARE Clinic's comprehensive services, James now has access to wellness appointments, dental care, dermatology, and spine specialists.

"I am so grateful to all the staff and volunteers. Everyone at The CARE Clinic is so helpful and caring. I have never felt better and, for once, I am able to get the care I need. Without The CARE Clinic, I don't know what I would have done," says James.

James's journey is a testament to the power of compassionate, accessible healthcare. With The CARE Clinic's support, he's not only feeling better but has regained control over his health and well-being. We're proud to be part of his continued success and look forward to helping more individuals like him achieve better health in the future.

The CARE Clinic continues to be a beacon of hope, providing essential care and making a tangible difference in the lives of many, just like James.

Help Us Cut Costs

From our newsletters to our event invitations, we send out A LOT of mail. We are trying to cut costs by eliminating unnecessary mailings and excessive volumes of returned mail. Please help us update our database and mailing lists. If you receive more than one of mailing or have had a change of address in the last year, please contact us at (910) 485-0555 or send an email to admin@thecareclinic.org. You can also contact us if you are interested in receiving this newsletter digitally. This will help us keep our network up-to-date with the clinic, while also reducing unnecessary expenditures.

Upcoming Events **Mark Your Calendars!**

February 1st-8th – Week of CARE Dinners

April (Date TBD) – Volunteer Appreciation

To learn more about these events, please visit our Instagram page [@the_care_clinic](#) or our Facebook page [@ The CARE Clinic](#). You can also visit our website at www.thecareclinic.org or give us a call at (910) 485-0555.

Patient Reviews

1. "Excellent service, they care for you really well and are patient with you. They really want to get to know what is going on with you."
